

Ross Companies Limited Newsletter – May 2025

Welcome to Our Latest Update!

At Ross Companies Limited, we're excited to reflect on our recent achievements and ongoing commitments to engineering excellence and community support. This newsletter recaps the success of our 2025 Charity Gala Ball, highlights our continued partnership with the Air Ambulance NI, and celebrates our ISO certification. Read on for the latest updates!

Supporting Lifesaving Missions with the Air Ambulance

We are delighted to share that Ross Companies Ltd raised an incredible £10,044 for Air Ambulance Northern Ireland. Air Ambulance NI, delivers critical, lifesaving medical care across NI. Their rapid response helicopters bring expert care to those in need, often in remote or urgent situations.

We are dedicated to furthering their mission through fundraising and awareness initiatives. Your support helps keep these vital services in the air.

A Heartfelt Thank You for the 2025 Charity Gala Ball

The Ross Companies Charity Gala Ball 2025, held on March 1, 2025, at the Hilton Templepatrick, was a resounding success! This unforgettable evening brought together our clients, partners, and community to celebrate our shared values and raise funds for Air Ambulance NI.

Highlights: Guests enjoyed fine dining, live entertainment, and inspiring stories of what Air Ambulance NI does. The event raised significant funds to support lifesaving missions and community initiatives.

Impact: Thanks to your generosity, we've made a meaningful difference in the lives of those who rely on these vital services.

A huge thank you to everyone who attended, sponsored, or contributed.

Achieving Excellence with ISO 9001, 14001 and 45001 Certification

We are proud to announce that we have been accredited: ISO 14001 Environmental, ISO 45001 Health and Safety and ISO 9001 Quality Management System. ISO is the global standard for quality management systems. This achievement reflects our unwavering commitment to delivering safe, reliable, and high-quality engineering services.

What this means for our clients:

Consistent Quality: Our processes ensure top-tier service every time.

Customer Focus: We tailor solutions to meet your specific needs.

Continuous Improvement: We're always enhancing our operations to serve you better.

From conveyor installations to emergency maintenance, our ISO certification guarantees excellence in everything we do. Thank you for choosing us as your trusted engineering partner!
